Upcoming Webinars

January 28, 2021 10:30 - 12:00 EST

Recognizing and Responding to Domestic Violence for Home Visitors Part I

Presented by Bonnie Allen, Domestic Violence Program Administrator, NYS OPDV

This two-part webinar will provide home visitors with knowledge and skills to identify and respond in a survivor centered, effective and safe manner to domestic violence. The presentation will explore the dynamics of domestic violence and how to engage with both victims and their abusive partners. The impact of domestic violence on children and how to promote safety and healing for children and families will be discussed. The unique challenges of specific populations experiencing domestic violence will also be covered. Content will include safety concerns, planning and assessment and partnering with Domestic Violence Service Providers to support victims and their children. Resources will be provided for further information.

Part 1

- Understanding the Dynamics of Power and Control
- Recognizing and Partnering with the Domestic Violence Victim
- Recognizing and Engaging with Abusive Partners
- The Impact of Exposure to Domestic Violence on Infants and Young Children
- Promoting Safety and Healing for Victims and Children
- Resources

February 4, 2021 10:30 - 12:00 EST

Recognizing and Responding to Domestic Violence for Home Visitors Part I

Presented by Bonnie Allen, Domestic Violence Program Administrator, NYS OPDV

This two-part webinar will provide home visitors with knowledge and skills to identify and respond in a survivor centered, effective and safe manner to domestic violence. The presentation will explore the dynamics of domestic violence and how to engage with both victims and their abusive partners. The impact of domestic violence on children and how to promote safety and healing for children and families will be discussed. The unique challenges of specific populations
