

*The HVCI team is proud to announce the addition of 2 new Backbone Organizations (BBOs) to the project. In Western New York, Native American Community Services. In the Mid-Hudson Region, Child Care Council of Dutchess will serve as a BBO to inform conversation about Dutchess, Orange, Sullivan, and Ulster Counties. Westchester Children's Association will serve as the other BBO for the remaining half of the region (Putnam, Rockland, Westchester). WCA and the HVCI team determined it best to split summit efforts in this region due to the diverse landscape.
